***CDI \*\*\* - International Dressage for top athletes***

***Covid-19 protocol***

### **Resume**

With respect to public health and observance of the guidelines of the various government agencies, an International Dressage Competition will take place from 5 to 9 May on the **outside areas** of Equestrian Center Exloo - Valtherweg 27-A - 7875 TA Exloo

- No audience .
- All those present are tested daily by a medical team on location for COVID-19 virus symptoms.
- Daily temperature check .
- Mouth mask mandatory within the location .
- Access only for persons who need to be functionally present .
- Access can be denied if the protocol is not complied with .

### **COVID-19**

Given the current circumstances, CDI \*\*\* - Exloo will take place without an audience , outside and in an adapted form. The safety of participants and employees has the highest priority and the organization will therefore remain in close contact with the competent authorities (Municipality of Borger-Odoorn) so that the event can be organized completely corona- proof in a closed (outside) environment .

### **Covid-19 Organizational Measures**

- Mouth mask duty in the buildings (independent spaces) and stable tents of Equestrian Center Exloo.
- Participants and their groom must be in possession of a recent, official, negative COVID-19 test result (PCR test) of maximum 72 hours old with an English certificate.
- A maximum of 30 people in the buildings (independent spaces) and stables of Equestrian Center Exloo.
- Participants may be accompanied by a maximum of one person (groom) during the event.
- Trainers must be registered by the participant by email at the competition secretariat before April 27, 2021. A maximum of 1 trainer will be accredited per participant. Day of arrival and departure must be indicated. The trainer must be in possession of a recent, official, negative COVID-19 test result (PCR test) of maximum 72 hours old with an English certificate. Entry is only allowed after confirmation from the competition secretariat (no later than April 30, 2021)
- All officials, personnel and volunteers present are tested on site by a qualified medical team by means of an antigen rapid test. In case of a negative result, the accreditation will only be issued.
